Welcome to GMB in Frankfurt automechanika 2006

Automechanika in Frankfurt begins on Tuesday, September 12 and ends on Sunday, September 17, 2006.
GMB Corporation Japan and our subsidiary GMB Korea Corporation will collaborate with each other to participate in this exhibition.

Taking advantage of this opportunity, we would like to introduce our **G**lobal **M**anagement **B**usiness in development, production, products and sales activities to visitors.

Please visit our stand #1.2 D06 where we will be delighted to explain our global production system enabling us to offer competitive edge for these products driven by Japan's quality engineering.

GMB Sales Staff are looking forward to seeing you in Frankfurt!
