

Moscow International Motor Show

29 August -2 September 2007
Crocus Expo • Moscow • Russia

MIMS 2007 (Moscow International Motor Show) will be held at International Exhibition Center "Crocus Expo" in Moscow from 29 August to 2 September, 2007.

MIMS was launched in 1991 and 2007 will be the 11th exhibition in the series to date. The exhibition has achieved a strong reputation within Russian automotive industry and continues to be regarded as the leading spare parts and accessories event in Eastern Europe.

We have the pleasure to announce to you that GMB Corporation-Japan and GMB Korea Corporation will be participating in this exhibition.

Please visit our stand #G133, Hall 11, Pavilion 2 where we will be delighted to explain our global production system enabling us to offer a competitive edge for these products driven by Japan's quality engineering.

We are looking forward to seeing you at MIMS 2007.

Мы ждем встречи с Вами на MIMS 2007
