GMB Tie Rod Assy for Siam Kubota as OEM

Dear Valued Customer,

Thank you very much for your continuing faith in our products.

We are pleased to announce the adoption of a GMB Tie Rod Assy on the newly-designed 47 hp Kubota Tractor L4708 (E40C). This tractor will have a production of 13,000 units this year by Siam Kubota Corporation.

At the present stage, Siam Kubota Corporation produces 30,000 units in total for 3 kinds of small-sized tractors for Thai market, and they will start producing medium-sized tractors to export to the USA this year. In the future, Siam Kubota plans to produce 100,000 units in total per year for expanding their business in the Asian market.

Two GMB suspension parts were already adopted as OES by Siam Kubota Corporation.

GMB will always keeps up a constant development to improve our quality and value.
